Irv Pallack Field/Track - Kofa High School

Per YUHSD70 Policy and Arizona Interscholastic Association (AIA) requirements, coaches, staff, and spectators will wear masks at all times, and in all aspects, of their participation in events hosted on our campus. Athletes will wear appropriate masks when they are not actively participating in competition. Athletes and coaches will follow AIA Guidelines and sport specific modifications in maintaining the safety of all participants that will allow for social distancing and water distribution, sanitizing of equipment throughout the event, and limited locker room access. Coaches and AIA Officials will exchange an AIA Event Athlete Monitoring Form for each event to attest to the health, and symptom-free status, of each player and coach. Per Arizona Interscholastic Association (AIA) Guidelines, Athletes and coaches will be able to social distance utilizing an extended sidelines and athlete camps that will provide shade and appropriate protocols have been established to allow them to access water throughout the event while maintaining social distance and wearing masks.

Spectators will wear masks at all times in order to attend each event. Hand washing stations and restrooms are available on the home and visitor sides of the stadium and large signs remind all spectators to wash hands often and for an appropriate amount of time. Each campus in our district has posted large mascot-themed social distancing signage throughout the venue to ensure social distancing, hand washing, and mask use. The facility will be thoroughly cleaned and sanitized by campus custodians prior to, and following, each event.

Spectators will be socially distanced while entering through gates and be advised to maintain 6ft of social distance (vertical and horizontal) in the bleachers. Each spectator will be required to acknowledge the inherent risk of attendance and sign a COVID-specific waiver prior to their attendance. The waiver includes the requirements of attendance including mask use, social distancing, and staying home if they are feeling unwell. Security personnel and campus administration will continue to monitor social distancing, use of appropriate PPE, and adherence to other mitigation measures throughout the event.

There will be no food or beverage concessions available at events.

This outdoor venue allows for adequate ventilation during all events.

IRV PALLACK FIELD /TRACK KOFA HIGH SCHOOL

SPECTATORS WILL BE ADMITTED AND SEATED ON THE HOME SIDE BLEACHERS ONLY. THE EXPECTED ATTENDANCE IS <200 INCLUDING ATHLETES ON THE FIELD. THE CAPACITY OF THESE BLEACHERS IS 2588 INDIVIDUALS. THIS ALLOWS ADEQUATE OPPORTUNITY FOR ALL IN ATTENDANCE TO SOCIALLY DISTANCE.

ATHLETES AND COACHES ARE ASKED TO STAY IN TEAM CAMPS SEPARATE FROM SPECTATORS ON THE IN-FIELD AND VISITING STANDS

NEWS RELEASE

IMPROVING COVID-19 METRICS ALLOW LIFTING STUDENT-ATHLETE MASK REQUIREMENTS

PHOENIX, AZ (3/2/2021) – Due to improving [Covid-19 metrics](#) (decreasing Covid cases, increased hospital bed capacity, etc), the AIA Executive Board voted to approve removing the mask mandate for the Spring season, Winter playoffs including Spiritline. Students, coaches, and officials must wear a mask when not actively playing or in the field of competition. All spectators in attendance for a contest must wear an approved mask or face covering. Please note that mesh face masks are not acceptable face coverings.

All other Covid-19 modifications remain in place.

About the Arizona Interscholastic Association:

The AIA, is voluntary association of public and private Arizona high schools. Since 1913, the organization has created and sustained interscholastic activities that encourage maximum student participation by providing AIA member schools with an even playing field to ensure fair and equitable competition. The AIA believes that providing interscholastic activities for Arizona high school students creates personal development opportunities with a balanced focus on academics and extracurricular activities.

Through its 272 member schools, the AIA reaches more than 95,000 participants in high school activity programs. The organization hosts 4000 championship contests and maintains officiating for more than 45,000 regular season games. For more information, visit www.aiaonline.org and www.azpreps365.com.

2021 AIA Track & Field Modifications

This document provides guidance and game modifications for schools, game administrators, coaches, players, and officials to follow in accordance with NFHS, state and local restrictions and recommendations. Game Administration is responsible for informing all participants of local guidelines for participation.

❖ PRE-MEET

- For transportation to a meet (on a school bus) coaches are to follow their district guidelines.
- Teams should bring enough shade tents for athletes to accommodate athletes, managers and coaches and are required to allow for social distancing of athletes.
- Masks are to be worn by athletes at all times.
- Coaches are to wear masks at all times. Mesh masks do not meet this requirement.
- Spectators may attend at the discretion of the host school. Spectators must also be masked.
 - Spectators should be spaced 6 feet apart at the ticket gate.
 - Spectators should be encouraged to purchase online tickets.
 - Spectators should socially distance in the stand and not be allowed into the team camp area.

❖ MEET DIRECTORS SHOULD DESIGNATE AREAS FOR SPECTATORS AT FIELD EVENTS

- Athletes are to bring their own labeled water bottles and should also bring hand sanitizer.
- One team should enter the facility at a time. Others should wait in their bus or remain socially distanced until the other team enters. Multiple entry gates should be used if possible.
- Coaches should fill out the Covid-19 questionnaire for their team and coaches. This should be turned into the meet director prior to the first event.
- Coaches meetings can occur on site if they can socially distance and they must wear masks.

❖ DURING THE MEET AND PRE-EVENT

- When not competing, athletes should remain in their team camp area and not co-mingle with other teams.
- Only competing athletes may be on the infield or at competition areas.
- Designated warm up areas will be provided.
- In a team huddle there is to be no hand holding.
 - A team may still do a team chant.
 - Non racers should NOT be a part of the team huddle.
- Teams are expected to clean up their team camp area prior to departing the meet.
- Team camp areas must be large enough to allow for teams to spread out. The meet director can assign team camp areas
- Coaches' hospitality rooms should have designated servers who have masks and gloves, or should serve pre-packaged food only. Buffet type serving is discouraged.
- Rope off finish area to prevent spectators from crowding along the finish line.

❖ MEDICAL STAFFING AND TRAINERS

- Trainers and student trainers all need to wear a mask
- If an athlete is to interact with a medical personnel or trainer; they are to wear a mask.
- Check in and post-race water tables need to have single use cups.
- Personnel filling cups should remain constant and not change.
- Cups at check in and postrace (beyond the finish line) should be handed out by gloved individuals.

❖ **ATHLETE CHECK IN:**

- Shorten the time at check in to no longer than 15 minutes prior to race time. Announcements may need to be made.
- Chairs or cones should be set up at check in to socially distance runners in lanes and between heats.

❖ **INDIVIDUAL TRACK EVENTS:**

- **Throwing events: Athletes are to retrieve their own implements.**
 - Establish a rotation—
 - Throw
 - Exit ring, stand to side
 - Next thrower
 - Retrieve while next throw is being measured.
 - If throwers are sharing an implement with a teammate they should be wiped down in between throws.
- Vault and high jump
 - **Mats should be sprayed with disinfectant regularly**
 - USATF recommends vaulters and jumpers to land in a tarp. These tarps are to be changed out after every individual. I believe the safety factor outweighs the recommendation. The safety factors are how these tarps will be attached to the mats and will the jumper slide off while landing and therefore risk neck or head injury.
- Distance Runs:
 - **Fields should be no more than 18 per heat for the 800**
 - **Fields should be no more than 24 per heat for the 1600**
 - **Fields should be no more than 28 for the 3200**
- Sprints:
 - **Blocks should be sprayed with disinfectant after races.**
 - Disinfectants are sold by varying company
 - Waxie and Hilyards work with schools.
 - If lining up heats on the track behind the blocks leave ample space between heats
- Awards – eliminate award presentations
- Awards should be put in an envelope for pick up by the coach.
- Results should be posted online or emailed to participating schools.

❖ **OFFICIALS**

- All meet personnel must wear masks. Mesh masks do not meet this requirement.
- Finish line crew and anyone else who may touch an athlete must wear masks and should wear gloves.
- All officials must come to the meet wearing a mask.
- Designate workers or athletic trainers to help fallen runners. These workers need to change gloves after each race or more frequently if time permits.

GBGB-R ©**REGULATION****STAFF PERSONAL SECURITY
AND SAFETY****Threats**

Any employee who is threatened with harm by an individual or a group while carrying out assigned duties shall immediately notify the school principal or supervisor. The principal or supervisor shall then immediately notify the Superintendent's office of the threat and together they shall take immediate steps in cooperation with the employee to provide every reasonable precaution for the employee's safety. Precautionary steps, including any advisable legal action, shall be reported to the Superintendent's office at the earliest possible time.

Eye Protective Devices

Every student, teacher, and visitor in public schools shall wear appropriate eye protective ware while participating in or when observing vocational, technical, industrial arts, art, or laboratory science activities involving exposure to:

- A. Molten metals or other molten materials.
- B. Cutting, shaping, and grinding of materials.
- C. Heat treatment, tempering, or kiln firing of any metal or other materials.
- D. Welding fabrication processes.
- E. Explosive materials.
- F. Caustic solutions.
- G. Radiation materials.

The Board shall equip the schools with eye protective ware.

Schools may receive and expend federal, state, and local monies to provide eye protective devices.

For purposes of this procedure, *eye protective ware* means devices meeting the standards of the U.S.A. Standard Safety Code for head, eye, and respiratory protection, Z21-1959, and subsequent revisions thereof, approved by the United States of America Standards Institute, Inc.

Cloth Face Coverings

All persons, including, but not limited to, staff, students, vendors, visitors, and volunteers, shall wear a cloth face covering while on any District property, in any District facility, at any District event, whether indoors or outdoors, and in any District vehicle, including District busses or vehicles rented or leased by the District.

Cloth face coverings should not be worn by:

A. Children under the age of 2;

B. Anyone who has trouble breathing;

C. Anyone who is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.

The Superintendent may make exceptions to the requirement to wear a cloth face covering while keeping in mind the health and safety of everyone involved.

Cloth face coverings are to fully cover a person's nose and mouth, ideally fitting snugly but comfortably against the sides of the face and under the chin. They are to remain affixed in place without the use of one's hands and are to not have holes. They are to be laundered regularly or disposed of appropriately.

A cloth face covering does not replace the need for frequent handwashing, covering coughs and sneezes, and practicing physical distancing (six feet [6'] away) to the extent possible.

Individuals are to be reminded to avoid touching their cloth face covering and to wash their hands frequently. To ensure the proper use of cloth face coverings, staff and students are to be educated on how to wear and care for their cloth face coverings.
